# PIONEER MINISTRIES

“... IN THE DEMONSTRATION OF THE SPIRIT AND OF POWER.” 2 CORINTHIANS 2:4

## OUR STORY

Pioneer Ministries is a kingdom-minded, inter-denominational ministry, led by Evangelists Joseph and Lesley Lee.

It started in 2014 when Joseph and Lesley went to Samoa on a business contract with the United Nations and the Samoan Government. While there, they saw an outbreak of miracles and signs and wonders that touched the whole island. By July 2015 they did their first National Miracle Crusade in Apia city, Samoa. They had 20 buses covering the whole island bringing thousands of people over 4 nights. In those meetings they saw the blind see, the lame walk and the deaf ear, Bible-day miracles exploded in their ministry from that point on.

Since then they have ministered in dozens of revivals, crusades and conferences, seeing thousands saved and healed.

They are actively working with ministries in Samoa, Fiji, Tonga, Hawaii, UAE, Pakistan and the USA. They are committed to building Kingdom relationships all over the world, releasing the power of God into people's lives.

They move in the office of Evangelists and demonstrate miracles, signs and wonders of God where ever they go. They also work with local pastors and churches to help them become trained and equipped to bring in the harvest of souls for this generation. Their ministry is based out of Auckland, New Zealand.

*Joseph and Lesley minister through the Jesus Loves National Miracle Crusades, as well the City-wide Revival Nights, and also do training and impartation in their Schools of the Spirit (SOTS).*

They also help facilitate power evangelism training, intercessor workshops, as well as practical street ministry - through the missionary teams they bring.

*They have a prophetic edge to their gifting which brings the Word of the Lord on a national level when they minister.*

Their children, Judah, Ocean and Olive minister with them wherever they go, their family being an integral part of their calling. Their mandate is simple:

***“love one... touch nations.”***

## “HOW GOD ANOINTED JESUS OF NAZARETH WITH THE HOLY SPIRIT AND POWER.” ACTS 10:38

### MINISTRY VISION

This is an invitation to all pastors and leaders in the Body of Christ, whatever your ministry, church or movement is, to work together with us in one of our Jesus Loves National Miracle Crusades, Nights of the Revival or School of the Spirit.

#### CRUSADES

The Lord birthed this vision in our hearts in 2014 when He said to us there was a Golden Age of the Holy Spirit coming to the nations and that it would be like the “*sun of righteousness rising with healing in His wings*” Malachi 4:2

We believe this new move of the Holy Spirit will be ushered in by a healing anointing that will sweep all churches and denominations with miracles, signs and wonders. Through this demonstration of power God will turn the hearts of the people back to Him.

In these Gospel Campaigns and Revival’s we see people worship Him in unity, where denomination boundaries and church walls are broken down, and the whole Body of Christ can come together with one heart and one mind to worship Jesus.

The Lord also said to Joseph, “*When my children come together in special unity I will pour out a special anointing.*” An unusual unity in the Body of Christ will bring down from heaven an unusual anointing with unusual miracles that will impact a nation. “*There I will command a blessing*” Psalm 133.

We have seen the rain stopped, cyclones vanish, and a lame person walk after 26 years in a wheelchair. Our God is truly a supernatural God.

#### NIGHTS OF REVIVAL

These nights are special for the local body of Christ in a city or town to

come together and seek a refreshing and renewal of the Holy Spirit. They are hallmarked by heavenly worship and miracles and healings. People are saved and the backslider turns back to their first love.

#### SCHOOL OF THE SPIRIT

These schools are about training and impartation. We go deeper into the things of the Spirit, bringing revelation to people’s hearts. It’s about catching something, not just teaching. We pray for everyone, laying hands for impartation of the gifts and anointings of God.

Our heart is to work with the local churches to help them bring in the harvest of souls. Once the events are over we seek to pass the decision cards on to the local churches to disciple, mentor and train the people saved.

“HEAL THE SICK... RAISE THE DEAD, FREELY YOU HAVE RECEIVED, FREELY GIVE.” MATTHEW 10:8

## CRUSADE OPERATIONS

Our desire is to work with the local pastors and ministries in an area, to be a blessing and leave a deposit of revival and God's glory. There are many ways pastors and people will be blessed by serving and being a part of these events.

### 1. MISSIONS TEAMS

We bring Missions Teams with us where ever we go. Our heart is to see missionaries come from all over the world to serve and impact the nations we hold the crusades in. Being a part of a missions' team will impact your life like nothing else.

### 2. USHERS/CATCHERS

We always need help with the operations of the crusade and it's a great chance for people to get up close to the manifestations of miracles and power by being an usher or a catcher.

### 3. WORSHIP TEAMS

We like to work with local worshipers and musicians because we believe every nation has within it their own prophetic call and song for that nation. It's an awesome opportunity for people to use their gifting in music and singing for the glory of God. People from the Missions Team can also participate.

### 4. MINISTRY TEAMS

We want to empower and equip the next generation of ministers to experience the supernatural and flow in miracles. This is why we are intent on training and equipping the ministry team for these crusades. Pastors can nominate leaders, elders, or up and coming youth to participate in the ministry team. This equipping includes: baptism of the Spirit, deliverance, altar calls, praying for the sick, and the fire of God.

### 5. INTERCESSION

We work with the Deborah Ministry who help provide intercession and prayer support for all we do. If you have a heart for intercession you can join the team by getting more information from us via email or Facebook. We believe in the power of prayer and always have "air support" when we launch these Crusade ground offenses.

### 6. FOLLOW UP

We always do an altar call every night and get people to fill out decision cards. These cards are then sent to the pastors and churches in the local area so they can be blessed with new people and train up the next generation of leaders.

It is important to us that we follow up with the lives touched at these events and this happens through the pastors who partner with us.

# PIONEER REVIVAL NIGHTS

*Picture from Synergy Youth event 2015, Suva, Fiji.*

## “I AM THE RESURRECTION AND THE LIFE.” JOHN 11:25

### WHAT ARE REVIVAL NIGHTS?

**While crusades are about winning the lost, Revival Nights are about reviving and refreshing the local body of Christ.**

#### LOCAL FOCUS

We encourage participation from local churches and local leaders. This is an opportunity to taste the resurrection life of God through glorious worship and demonstrations of God's power.

To empower, to encourage and to inspire the local church to do the great exploits of our King.

Often when we do these events pastors will be refreshed, believers will be set on fire again and Kingdom connections always develop.

#### NEUTRAL VENUE

We choose a neutral venue so that all members of the body of Christ can feel important and valued. We want pastors to come together in a spirit of unity that is free from any political or religious division or suspicion. Our desire is to operate in the Evangelist office and Revival anointing to bring the body of Christ together in unity and oneness under the banner of our King Jesus. A neutral venue simply means we can all worship God freely and without any inhibition. When we see the body come together in this type of unity, great miracles and exploits take place.

#### WORSHIP IN GLORY

We have a big focus on worship. We usually have a local worship team made up of different members of the body and a range of churches. The goal is to provide an atmosphere of prophetic worship,

where the sound of this generation can come forth. Most revivals in history had worship as a core component to their meetings and so it is with Pioneer Ministry. We seek to model a revival culture where Jesus can turn up and do whatever He wants. At the nights, anything can happen.

#### POWER DEMONSTRATION

We also focus on a demonstration of the power of God, since this is what the hungry are looking for. A demonstration of power will be in miracles, Baptism in the Spirit or some manifestation of the Holy Spirit, as He wills.

If we are to see a generation swept into the Kingdom, we must show them a living, real God who has real power.

*“So I have looked for You in your sanctuary (church), to see Your power and Your glory.” Psalm 63:2*

# SCHOOL OF THE SPIRIT

Picture from Synergy Youth event  
2015, Suva, Fiji.

“THE HARVEST TRULY IS GREAT BUT THE LABORER’S  
ARE FEW.” LUKE 10:2

## WHAT IS A SCHOOL OF THE SPIRIT (SOTS)

Joseph and Lesley have no formal training in the Ministry. Everything they have learned about God has been “on the job” training in what they call the school of the Spirit. This is where the Holy Spirit teaches and trains you while you minister practically in the world.

While Bible School has its place, Jesus modeled a way of training and equipping which was different to most strategies in our day. He taught His disciples by sending them out to minister, and they learnt as they did the works of Christ.

*“And when they saw the boldness of Peter*

*and John, ... that they were uneducated and untrained men, they marveled ... they realized they had been with Jesus.”*  
*Acts 4:13*

## SPIRIT-LED TEACHING

SOTS is about training and equipping with an emphasis on spiritual impartation. Our training and equipping is Spirit-led. So there is always an emphasis on the moving of the Holy Spirit. Basic theology tells us that the Father is in Heaven, the Son has done his job and is in Heaven, but the HOLY SPIRIT is on the earth today. He is the one who executes the plans of the Trinity on the earth concerning the expansion of the Kingdom. So we

want to make Him real and accessible to the Everyday Believer.

## SPIRIT OF REVELATION

When we teach line upon line, we do so with the spirit of wisdom and revelation. This makes biblical subjects come alive, where people have “light bulb” moments and can easily step into the realms of the Spirit on a new level!

## TOPICS INCLUDE:

We minister on many topics including Who Is The Holy Spirit, Gifts of the Spirit, Miracles and Healing, Power & Love of God, Finances, Faith, Missions, Power Evangelism and more ...

# MINISTRY PARTNERSHIP

*Picture from Synergy Youth event  
2015, Suva, Fiji.*

“THE HARVEST TRULY IS GREAT BUT THE LABORER’S  
ARE FEW.” LUKE 10:2

## WHAT IS A MINISTRY PARTNER

The Kingdom of God is about relationships. It is with this heart that we seek to partner with like-minded ministries and churches to expand the Kingdom of God on the earth.

## INTERCESSORS

We partner with Intercessors throughout the world to help us with prayer needs. We believe in the Power of Prayer. Pray is like the air support and our events are like the ground support – we work together for the gospel.

The most powerful thing Jesus said was “Teach us to pray.” Luke 11:1

You can get details of our prayer needs and how to join the prayer chain through our partner Deborah Ministries. Deborah Ministries is an intercessor group started in New

Zealand that has intercessors throughout the Pacific. For more information contact Helen on [intercessors@deborahministry.com](mailto:intercessors@deborahministry.com)

## PASTORS AND LEADERS

A pastor or leader who wants to partner is someone who recognizes the needs for the office of Evangelist in the earth today. They recognize the need for a revivalists work in the body of Christ to keep the ministry of the Spirit fresh in the church. Our purpose is to help churches grow and flourish, to bring alignment to peoples lives and set them on fire so they can serve in the local body of Christ with purpose. We work with local churches but also inter-church and para-church ministries for the gospel to go forward.

## VOLUNTEERS

People who work in the marketplace but want to volunteer and be on the helps teams and the mission teams can partner with us for one of our events. We always need help with ushers and catchers so give us an email and tell us how you want to serve.

## THE NEXT GENERATION

Many young people are growing in their gifts and callings, we want to partner with you too! We believe God is raising up a new generation. They might look and sound different to the normal church structure; they don’t “fit in” because they are meant to “stand out”. We are excited to ignite, inspire and uplift this next generation to do the mighty works of Christ.

*“Your people shall be volunteers in the day of Your power,” Psalm 110:3*

To whom it may concern

I wish to testify that the  
"Jesus Loves" Miracle  
Crusade was a wonderful  
experience where we saw  
the Body of Christ come  
together like never before.

Many churches were  
involved and we saw the  
blessing of unity and the  
anointing of healing,  
deliverance and many souls  
won for the Kingdom of  
God.

I highly recommend  
Evangelist Joseph Lee &  
pray for the Lord to bless  
the crusades.

**VOICE OF CHRIST**  
**FULL GOSPEL CHURCH, INC**

Knowing Evangelist Joseph Lee and his wife Lesley, and being a part of Jesus Loves Samoa Crusade(s) has been the highlight of the last 5 years in ministry for me. It truly has been a fulfilling experience starting from the build up to the Crusades. I was privileged to work in partnership with Pastors from different denominations in ministering and praying for people under the leading and direction of Joseph by the Holy Spirit.

In the last 2 years I have had the great privilege of being associated and involved in the organizing of the Jesus Loves Samoa Crusades together with our whole movement. Jesus Loves Samoa Crusades have been vital in bringing unity, awakening, revival and elevating the faith of the local body of Christ in Samoa. This was the outcome and the impact of the Love of God in the demonstration of the raw Power of God in healings and miracles as well as the demonstration of the authority as sons and daughters.

Our church movement, Voice of Christ Full Gospel Church in Apia and Pago gave our full support for the Crusades. I recommend and commend Joseph to any church or movement to be blessed in his calling as an evangelist to the islands, to bring revival and refreshing from God. We have felt and received the impact of the Crusades in so many ways. There is a new desire in membership to serve, faith has been seen in a new desire to minister and pray for people in need, renewed relationships with the Lord to the point of desiring intimacy with God for the gifts.

# “FROM MY DEATHBED I CAN WALK AGAIN.”

samoabserver

June 18, 2016

*We have had national impact in Samoa, like this Article by Ilia L. Likou, 19 April 2016, Samoan Observer*

## **Leilua Ai has a story to tell.**

The 76-year-old mother and grandmother from Satuimalufilufi is counting every day as a blessing after she was able to walk again, thanking God for her miracle. The elderly mother received her miracle during a service she attended in American Samoa where Evangelist Joseph Lee was preaching and from there she lives to tell her story.

“I was working at my plantation one day when I felt a strange pain in one of my legs,” she said, “The very next day, I went to the hospital and an operation was carried out to get rid of the lump. They also gave me some pills to take.” But it was temporary relief.

**“I was lying, dying on my bed for four weeks without food or water,” she recalls.**

“I asked my husband that I wanted to go to American Samoa to see our family doctor but he refused because of my condition. I still begged him that we need to go – then we went to American Samoa.”

Mrs. Ai said that she remembered vividly how her dying body was taken inside the plane with crutches to help. “I was on my wheelchair unable to move or walk ... when we were about (with her daughter) to enter inside the chapel, I felt something flowing into me from my head to my toes like an electric fire.

**Then I heard Evangelist, Joseph Lee calling from the altar that ‘there’s fire in the house... there’s someone with a fire, in the Mighty Name of Jesus, stand up and walk again.’ I didn’t understand that I was the one that Joseph called.**

“All I could feel was that my body was electrifying and I shook horribly...I tried to stand up and surprisingly I did, the pain left me that fast...I jumped up and down as if I wasn’t on my bed for the last four to five weeks.

**“That healing power touched me, I stood and walked unassisted from where I was sitting at the back of the crowd to the front...and I danced in His presence. “My leg was strengthened and it kept gaining strength, making it possible for me to stand and walk alone.”**

Leilua said people who had known about her condition could only marvel at the transformation that had taken place and her strength as she walked unaided back home. “Inside the chapel after the service, I grabbed my crutches with my own two hands and walked home freely,” she said.

**“The healing made me weep.... Jesus healed me instantly.... and I am healed by the Grace of God.”**

# HIV HEALED! A PERSONAL TESTIMONY FROM APOLOSI LASEI

August 2017

**Apolosi is a young Fijian man in his early 30's who was touched powerfully by God at the JESUS LOVES FIJI CRUSADES in Lautoka, Fiji 2016. At one meeting he received salvation, and at the next night's meeting baptism of the Holy Spirit and spoke in tongues. God has begun a mighty work in him, and we pray that this continues until he becomes the man God created him to be.**

"Dear All. I have been living with HIV for the past 5 years for I have lived a life encouraging homosexual and gay relationships. My childhood life wasn't easy, being adopted, rejected and abused, and as I felt useless at times it made me feel that being gay was ok . I was living a life of stigma and discrimination yet I thought that it was my right to fight for having a relationship with the same sex.

What the world called love was abomination to the one true God . Being found HIV positive was just another chop of wood that I had to feel in 2013. Some called it the sinners diseases. I had to avoid social gatherings as this may have led to being hurt or pointed out.

I was searching for a place where I can feel love acceptance and allow me to feel at home. It was hard as everyone would judge my character rather than the cry of my heart. From church to churches I would go, until I met someone who taught me what love is and where I would find it – Jesus loves Fiji Crusade.

I was brought from the power of alcohol, smoke, sex and lust, though I am a work in progress. I know that I am to share God's love and hope. More than 780 people are living with HIV in Fiji and we have more than 250 in orphanages. In my country the prisons are filling up, not forgetting the street kids, sex workers, beggars and old peoples' homes.

My country needs you, and I need you to hold my hand and pass on His love .

I know that my treatment is my life but I have someone who made this life, Jesus Christ. To him whom I owe a million praises, I bow my knees in worship. I may face a lot from the world but I have chosen to stand with Christ. Through Jesus there is hope and life.

*Stay Blessed and May God bless Fiji, Yours sincerely, Apolosi Ranawai Lase*

**Currently Apolosi has had a doctors report saying his HIV is now "undetectable" and that his white blood cell count is higher than the average human. He has the doctor verified records that HIV is no longer traceable in his body.**

# WITCHDOCTOR BECOMES AN EVANGELIST

My name is Tim Tetoa. I'm from Kiribus. From the time I was young my father teach me about the witchcraft, and when my father teach me about the witchcraft I'm very perfect on the witchcraft. I go and help everybody here in Fiji about witchcraft. Some people they lay down in hospital. I go and help them in the power of the devil. Some people they don't have the baby, I give them the baby in the power of the devil. I do the thing (witchcraft) for 30 years now, and when I'm going to call the spirit of the devil, I take the smoke and smoke to them. When I smoke to them I call their name, and when I call him the fella (spirit) comes onto me. When the fella (spirit) come onto me, I don't know anything.

Later on my wife is very very sick and I try to help my wife, and the time I tried to help my wife I don't know. I can't help my wife. I tried my best to do all kinds of things in the devil way where I always make it (succeed) but my wife still unconscious, can't stand up. Within three months I can't help my wife. So my wife about to die, and she talked to me, **"Now I'm going to die, but if I'm going to die I don't want to die in the hands of the devil I'm going to call Jesus, that I'm going to die in the hands of Jesus."** Later on, me I sit down with all the equipment of the devil, even the grog (alcohol) in front of me. And later on, my wife called Jesus, "Jesus, please help me!" In front of me I am very surprised, I can see the hand of my wife, somebody pull it up, and when somebody pull it up just in front of me she crying and she shouts, "Hey Tim, Jesus come and take my hand and today Jesus talked to me. I'm going to stand up today." I freak out and I say, "No you can't stand up because me I am powerful in the devil and how come Jesus is going to come and healing you just in a minute." And my wife say, "You going to see the power of Jesus, now is coming." I see the hand, it's going up and when going up in front of me she stand up and crying. The tears go down and when the tears go down she talked to me. "Jesus tell me to walk today." And just in front of me she stands up and walk! From there I stand up and shout and I say, "Oh very powerful Jesus! Jesus in our house!" And then my wife talked to me, "From now on take everything away (demonic), and Jesus is now in our house." That time I don't take everything away because I'm afraid and I'm still working with the devil...

After 3 weeks my wife talked to me "One fella gonna come from overseas. His name is Joseph Lee and I'm telling you Tim, this is the time. Jesus is going to destroy your power by this man." And I said, "No, no can't destroy my power." The next day when I go, Joseph Lee come direct and put his hand on me. When he put the hand on me I see my devil coming. When I see my devil coming, at that time I blacked out, I don't know what to do. Most of the people there say it take about 20 minutes like that. And when my devil gone everybody shout like Fiji win in the world cup. Everybody shout, and they jump and everybody crying and me from that time, I don't know, I just lay down. I lay down and when I wake up I'm afraid because I don't have a devil, and I talked to Joseph Lee. "I'm afraid. Why? Because my devil is gone." Joseph Lee came again and put his hand on me and tell me, **"I'm going to baptise you and put the Holy Spirit on you and going be change your life to Jesus power!"**

From that time when I came back I talked to my wife, "I don't know why I got another power now." And my wife talked to me, "What kind of power?" I said, "Now I'm going to pray around the people where I always make the devil on them and I'm going to pray to them in Jesus' name." And my wife talked to me. "You can do that?" I say, "I can because the power of God coming to me now." And then I go, and I when I go and talk to those people and I say, "Can I Pray?" Those people they see me and they say, "You must be joking you are the devil man." And when I pray on them, and I can see the power of Jesus and those people crying. They crying in front of me. When they crying in front of me, myself I know that God power is with me, and from that time I know my life has been changed.

**I feel very happy now. I feel free. I am free in the hands of God, in the hands of Jesus. I am really happy now. I'm the man of God now.**

# MISSIONS TEAM OPPORTUNITIES

## Mission Team Testimonies

“My involvement with Pioneer Ministries and going to Samoa, American Samoa and Fiji in 2016 was a genuine adventure both spiritually and naturally.

The opportunity to outreach into these Pacific nations and minister to the people was huge. I rubbed shoulders with the rich and the very poor and saw God move in miraculous ways.

I witnessed miracles, healings, Holy Spirit baptisms, deliverances, salvation to many souls, agape love, and even a category 5 cyclone stopped in its very tracks as it bore down on us in W. Samoa. As a result of prayer a vertical (unheard of) wind came up from the ground and stopped the cyclone in its tracks. Even the meteorologist was perplexed by this phenomenon, as this had never been seen before. This was truly the hand and power of God at work. Praise be to God and His mighty angels.

**I will never be the same again and this type of genuine ministry makes one hungry to see and experience more.** - Debbie Sandbrook, Mission Team Member

“There was also the young girl who had a misaligned spine, she had this condition for 7 years. Her doctor told her if she attempted any form of physical exercise she could end up in a wheelchair. I prayed for everything to come back into alignment, again it took 3 attempts but in the end she was able to bend down and touch her toes without pain. She had a lump on her back which her Pastor confirmed is now gone. Praise God!

**Karl and I were both very blessed by this trip, I still think of it every day! It is such a blessing to be a blessing to others. Thank you so much for the opportunity.”** Janne Adams – Missions Team Member

# COME AND BE A PART OF OUR MISSION TEAM AND SEE LIVES IMPACTED FOR GOD.

*Dear Mr Lee,*

*It's been indeed a huge honor to be a part of your team and the work you do; its the hard working men and women (on the mission team) to whom we owe a mighty hand of acknowledgement.*

*The children (at the orphanage) and so many of the women (from the brothel), men (from our hospital) that your team visited, many lives that your team has touched ... to this I thank you for all you have done.*

*And yes, my life can never be the same again too, so many things seem clear now, many things have meaning now. Thank you so so much!*
